

Faculty of Medicine, Dentistry & Health Sciences Melbourne Dental School

Doctor of Dental Surgery Research Grants

Title	DDS Research Funds
<p>Details and conditions</p>	<p>Funding is available for the specified research project of up to \$3,000. Student groups may apply for the entire \$3000 to be spent during the 1st, 2nd, or 3rd year of the DDS course. Alternatively, if student groups do not apply for the full \$3000 in their first application, they may apply for the remainder of their eligible project funding in subsequent funding rounds during their candidature. There will be one funding round per year for DDS students. Please consider your project costs carefully and apply for funding in advance. There will be NO retrospective funding.</p> <p>Funds granted will be paid on reimbursement of invoices submitted to the 4th floor. In order to obtain funding, students, together with their academic research supervisors, must submit a research funds application form and budget form. Supervisors must check budgets completed by their students in accordance with the conditions of the grant below.</p> <p>Conditions of Grant</p> <ol style="list-style-type: none"> 1. Funds are available to students for expenses such as small equipment and consumables. Some expenses cannot be claimed. For information on what you can claim, see research funds policy. 2. Your application must include: <ol style="list-style-type: none"> a. Details of the project, methodology and all relevant documentation (eg. questionnaire). b. Details and a breakdown of estimated costs to be incurred. You must provide details and costing for every budget item. Requests for 'miscellaneous' expenses will not be approved. c. Ethics approval (if applicable). If ethics approval is required, funding will not be released until ethics approval is obtained. 3. Your supervisor must sign the application. 4. Funds will be allocated to the supervising academic. Cash will not be paid. All costs in excess of the award are the responsibility of the supervising academic. 5. Incomplete, sub-standard or late applications will be rejected. 6. Student groups requiring statistical assistance should contact their supervisor/s before seeking funding for any external consultation. 7. DDS research funding does not include travel. Student groups seeking travel funding (for one member of the group to present the research at a conference) should apply for the Student Travel Award.
<p>Eligibility</p>	<p>1st year DDS student groups and later year DDS student groups that still have eligible funds remaining</p>
<p>Approx. Open Date</p>	<p>Mid-July</p>
<p>Approx. Close Date</p>	<p>Mid-Sept</p>
<p>Application form</p>	<p>The application form, project details and budget form can be filled in electronically, and then checked and signed by the applicant's supervisor. Please note that supervisors must receive the application and budget at least 1-2 weeks prior to the closing dates set out below to allow sufficient time for review.</p> <p>OHS and Risk Assessment forms will need to be completed if the project requires use of laboratories. Please contact the Laboratory Manager with details of laboratory areas and equipment required at the following link: brentrw@unimelb.edu.au</p>
